## EDUCATION ENRICHMENT PROGRAMS

LAW DAY PROGRAM IN CONJUNCTION WITH KEESAL, YOUNG & LOGAN

**T**he LB NAACP Award-Winning Law Day Program in conjunction with Keesal, Young & Logan has eight components: Law day study guide for students and teachers; legal career and law materials; mentoring and shadowing of lawyers, judges, and other legal professionals; courthouse and law school visitations; and Law Day speakers, panels, and discussions. Also included is a special workshop for educators teaching about law and law as a profession. The culminating activity is a special program at the Law Offices of Keesal, Young & Logan.

### DISCOVERY OF THE ARTS:

An introduction to the fine and performing arts. There are field trips, guest artists, and free tickets to performances.

### TALENT SEARCH AND DEVELOPMENT:

Scholarships to assist in the purchase of musical instruments, lessons, showcases of student talent, field trips and interaction with emerging, studio and professional artists.

### GET ABOARD THE TECHNOLOGY TRAIN

Youth and college students teach other youth and senior citizens the basic functions of technological devices such as computers, cell phones, and televisions.
